TICKETS:

In order to subsidize the cost of the event, tickets will be given out for a requested donation of \$2 per ticket in advance. Even though the requested ticket donation is low, the performers

will be so proud that their friends and family donated money to see them perform in this formal venue. Starting the week of May 17th, tickets will be checked out to students in groups of 5 at a time. A form will be sent with the tickets so that you can take down the information of anyone buying a ticket from you. Please just write one check to Master's Music Academy for all the tickets you sold and return any unused tickets to your teacher at your next lesson after the concert.

DRESS:

Dress is extremely formal. Male performers must be wearing a suit coat and tie. Female performers must be wearing a formal gown falling to the shin or below. Please work with us to make this a true performance spectacle, complete with the fabulous outfits!

AUDIENCE:

Please invite your friends and family. The program will have wonderful music, move quickly and have an intermission. It will be a pleasant experience for most any audience. Please be sensitive to the performers and audience when considering inviting infants and toddlers to the performance. We must have absolute silence in the audience during performances.

TIME:

Performers are to meet backstage of the concert hall at 4:00pm. It is imperative that every performer has a chance to practice walking on stage, trying the piano and bowing before the house is opened to the audience at 4:40pm. In order to be included in the program, performers must commit to being at Katzin Concert Hall from 4:00-7:30pm on June 26th. If a performer cannot make it by 4:00pm, then he or she will need to wait until the next concert to perform. This is because the Hall and stage are so intimidating that we cannot send a performer out on stage without rehearsing first.

AWARDS:

Performers' awards for finishing the year will be on display at the concert. We will be displaying the performer's picture and a

bio paragraph along with his or her award. Please bring a framed picture of yourself and a framed bio paragraph to the concert. Place both framed documents in your marked spot on the awards table next to your award. Place your picture and your bio BEFORE coming back stage at 4:00pm.

PROGRAMS:

We will be having professional programs printed for the concert, and we are selling ads to cover the cost of the programs. Please consider buying a personal ad of praise for your performer. For only \$15, you can have a quarter page personal ad (or \$30 for a half page and \$60 for a full page). Please consider buying personal ad space and filling it with notes of love and congratulations to your performer. Over 300 people will see it, including most importantly, your performer! E-mail Shanda at piano@lessonsbyshanda.com to get going on your ad.

Also, if you are involved in a place of business that would be willing to support us by running a business ad in our program, please contact Shanda at piano@lessonsbyshanda.com. We will need all the business ads we can get so we have the funds to make the programs fabulous!
